2026-08-15T14:56:21.959Z	English	Knew very little	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Disruption and length of construction	Do not proceed	Very poor	
2026-08-15T19:38:05.294Z	English	Very familiar	Yes	Yes, significantly	Somewhat oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction; Other: Proximity to existing apartments	Proceed with changes based on resident input	Fair	The placement of the story poles looks significantly different than what the concept plans on their website show. Consideration of current residents should be prioritized.
2026-08-15T19:50:39.910Z	English	Knew very little	No	Yes, significantly	Strongly oppose	Building height and overall scale	Do not proceed	Not sure / was not aware	Not Wanted and not needed
2026-08-15T20:39:44.011Z	English	Knew very little	No	Yes, somewhat	Somewhat support	Disruption and length of construction	Proceed as currently proposed	Poor	The traffic and times this project is going to take place. I think construction doesn't take place in the shoulder seasons
2026-08-15T21:14:17.833Z	English	Somewhat familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Construction noise and disruption; Views and sunlight; Effect on quality of life at Shandoka; Disruption and length of construction	Do not proceed	Very poor	
2026-08-15T22:25:55.301Z	Spanish	Knew very little	No	Yes, significantly	Neutral/unsure	Loss or relocation of surface parking	Need more information	Poor	Que pasará con el estacionamiento?
2026-08-15T23:57:36.840Z	English	Heard about it but did not know details	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Disruption and length of construction	Do not proceed	Not sure / was not aware	The Shandoka area is already dense with people compared to the rest of Telluride.
2026-08-16T00:23:21.612Z	English	Knew very little	No	Yes, somewhat	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Disruption and length of construction	Do not proceed	Not sure / was not aware	The quality of life will significantly lower due to this project. I understand the why and agree with it but this opposes the why. Why not do a large parking garage at Carhenge? Why not fund the daycares instead of bringing in a new one? Its counterintuitive.
2026-08-16T00:59:10.385Z	English	Somewhat familiar	No	Yes, somewhat	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Very poor	
2026-08-16T01:19:05.272Z	English	Very familiar	Yes	No	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Poor	Doesn't belong in Telluride!!
2026-08-16T01:20:57.113Z	English	Very familiar	Yes	Yes, significantly	Strongly oppose	Cost of the project	Do not proceed	Very poor	
2026-08-16T01:21:10.396Z	English	Very familiar	Yes	No	Strongly support	None, I support the project as designed	Proceed with changes based on resident input	Good	
2026-08-16T01:28:10.189Z	English	Somewhat familiar	Yes	No	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project	Do not proceed	Very poor	

2026-08-16T01:38:11.213Z	English	Somewhat familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction; Other: A terrible plan. Where's the money coming from. Have any current residents ever been contacted regarding this? It's truly overkill.	Do not proceed	Poor	It completely compromises quality of life for those of us here. I'm not a nimbby but the density is ridiculous and what! A parking garage for 900 cars. Obscene. In your face disregard for quality of life. Water? Where's that coming from? Do not proceed with this horrible concept.
2026-08-16T01:41:41.071Z	English	Very familiar	Yes	No	Strongly support	None , I support the project as designed	Proceed as currently proposed	Excellent	I think they should listen to input from all concerned citizens and make a decision on what is best for the entire community. I am especially concerned about the loss of community, people having to commute long distances or move away. We are losing people who have a stake in the future and can participate and shape its future. Livable Telluride seems to oppose EVERYTHING. We could end up being an empty shell if there, is no positive input that recognizes how important it is to have people actually living here. Please be part of the solution.
2026-08-16T01:42:40.344Z	English	Somewhat familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Poor	This changes the soul of Telluride from a funky mountain town to a 15 minute urban city abomination. You are forever altering the characteristic of our community and nature,Âs paradise that brought us here. You,Âre selling us out and betraying our promise to the Utes to be good stewards of the land. This project is reprehensible and will be your legacy!
2026-08-16T01:42:42.039Z	English	Somewhat familiar	Yes	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Very poor	So many empty storefronts. Does our economy and population trend justify this? Just do not see the need. Why is the council forcing this on us: who is going to pay for this?
2026-08-16T01:47:46.202Z	English	Heard about it but did not know details	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Poor	It looks large and extremely imposing within the surrounding neighborhood. A scaled back project, perhaps, but once again, the Town of Telluride sells its soul on yet another lengthy and expensive construction project.
2026-08-16T01:52:34.584Z	English	Heard about it but did not know details	No	Yes, significantly	Somewhat oppose	Building height and overall scale; Traffic; Views and sunlight	Consider substantially different alternatives	Fair	
2026-08-16T02:17:35.921Z	English	Knew very little	No	Yes, significantly	Strongly oppose	Building height and overall scale; Construction noise and disruption; Effect on quality of life at Shandoka	Do not proceed	Very poor	
2026-08-16T03:26:09.983Z	English	Somewhat familiar	No	Have not seen them	Strongly oppose	Building height and overall scale; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Consider substantially different alternatives	Poor	The west side of town is already densely populated with multiple apartments complexes and smaller homes. This project would add vastly more congestion to this area.
2026-08-16T03:42:49.723Z	English	Heard about it but did not know details	No	Yes, significantly	Strongly oppose	Building height and overall scale; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project	Consider substantially different alternatives	Very poor	

2026-08-16T04:58:59.543Z	English	Very familiar	Yes	No	Strongly oppose	Building height and overall scale; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project	Consider substantially different alternatives	Good	It's obvious that this project will eliminate all existing free parking in town. It will bring a massive amount of traffic into the Shandoka area and as an area full of children I worry for their safety. All existing views by residents will be eliminated and will be replaced by long walls, and a huge parking structure that will probably never be utilized as it,Ãs intended. All views of the mountains from the river trail will also be eliminated. It will be unfortunate to replace what is now such a peaceful and quiet area with the noise of constant movement, honking, and tightly packed neighbors. I am not opposed with utilizing this area in a more efficient way but to this scale? Every square foot maximized? Let this project breathe a little, leave room for air to flow, birds to chirp and river sounds to flow. And how in the hell are we going to pay for this, and what will it cost?
2026-08-16T05:37:51.766Z	English	Very familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project	Do not proceed	Very poor	Loss of views, increased traffic,Ãs concerns, how will it be paid for, permanent change to the feel and openness of the area.
2026-08-16T08:21:53.367Z	English	Very familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Cost of the project; Disruption and length of construction	Do not proceed	Good	
2026-08-16T11:19:03.306Z	English	Somewhat familiar	Yes	Have not seen them	Strongly oppose	Building height and overall scale; Loss or relocation of surface parking; Construction noise and disruption; Traffic; Views and sunlight; Safety and pedestrian access; Effect on quality of life at Shandoka; Cost of the project; Disruption and length of construction	Do not proceed	Poor	Enough growth for now. Where are all the people coming from? I don't have faith we're going to be growing that fast. We have made it impossible for regular people to live here.
2026-08-16T12:09:25.869Z	English	Very familiar	No	Yes, significantly	Somewhat support	Building height and overall scale; Views and sunlight; Effect on quality of life at Shandoka	Consider substantially different alternatives	Excellent	The proposed public spaces, park remaining river trail, are going to be unpleasant spaces to inhabit most of tge year, too cold and shady, surrounded by tall buildings, no views at all.
2026-08-16T12:18:05.217Z	English	Somewhat familiar	Not sure	Have not seen them	Strongly support	None, I support the project as designed	Need more information	Poor	Any project that provides affordable housing as close to the East End of San Miguel County is a project worth considering and approving. Housing workers in Telluride will strengthen the community and provide some demographic diversity among its residents. Intercept parking at the west end of Telluride will make the rest of the town more pedestrian friendly.
2026-08-16T12:25:33.696Z	English	Somewhat familiar	No	Have not seen them	Strongly oppose	Building height and overall scale; Traffic; Views and sunlight; Effect on quality of life at Shandoka; Cost of the project	Do not proceed	Poor	Any plan to add density to the town must include plans for how additional traffic will be handled. The same road infrastructure will not work with increased density.
2026-08-16T12:28:07.296Z	English	Very familiar	No	Yes, significantly	Strongly oppose	Traffic; Effect on quality of life at Shandoka; Cost of the project; Other: Noise congestion and it,Ãs just too big you can,Ãt ruin a neighborhood	Do not proceed	Poor	This project is too big and will ruin our neighborhood. Too much noise, traffic, density. Shame on you Town of Telluride. How much will it cost us to destroy our homes
2026-08-16T12:33:27.023Z	English	Very familiar	No	Yes, significantly	Strongly oppose	Building height and overall scale; Construction noise and disruption; Traffic; Cost of the project; Other: Too big too much noise too much traffic	Do not proceed	Poor	Funny how the local pickleball players can,Ãt have courts because of the noise , but you can ruin an entire part of town with traffic noise
2026-08-16T13:04:05.057Z	English	Somewhat familiar	No	Yes, somewhat	Strongly oppose	Building height and overall scale	Consider substantially different alternatives	Poor	Going with this project ,Ãas is,Ã will only diminish the natural beauty of Telluride. Don't turn Telluride into Vail.
2026-08-16T13:19:19.046Z	English	Heard about it but did not know details	No	Yes, significantly	Strongly oppose	Building height and overall scale; Traffic; Views and sunlight; Effect on quality of life at Shandoka	Do not proceed	Fair	
2026-08-16T13:34:59.354Z	English	Knew very little	No	Yes, significantly	Somewhat oppose	Building height and overall scale; Views and sunlight; Safety and pedestrian access; Cost of the project	Consider substantially different alternatives	Very poor
